Give them the love of a game they'll play for a lifetime.

The joy of golf starts when you play the game. The Golf 4 Kids Program is an affordable and fun way to get junior golfers out on the links in small groups, so they get a real feel for the rhythms of the game. They'll learn about the rules and etiquette of play, which clubs to use and how to take the game in stride. They'll transition from practice area to the links - and have fun the whole time

Plus, when they complete the program, they'll receive set of junior clubs. FREE.
