

The President has requested that all Americans consider volunteering/giving back to the community...he has issued an executive order encouraging the federal work force to give due consideration to giving something back to their communities. Congress is very interested in spouse employment and training...a great way to learn and to grow skills is by volunteering. Given the weight of all these things, we encourage everyone to gain additional skills or keep skills current through volunteer jobs.

Ecovolunteers

<http://www.ecovolunteer.org/>

»

You could say that Ecovolunteer is a travel agent. But the trips we organize are not your average holidays. They bring you to places that are not accessible to tourists. Where you get the possibility to protect nature and its inhabitants. By helping local organizations with their conservation projects. This makes an Ecovolunteer trip both a rewarding and an unforgettable experience.
