Tips for a brighter, healthier smile

Check out our dental articles on the iTriage® app and website. You'll find topics ranging from bad breath to gum disease, from baby teeth to dentures. It's all reviewed by the faculty of the Columbia University College of Dental Medicine.

Visit www.itriagehealth.com.

Dentist extras for healthier outcomes

The Columbia faculty also helps us put together online dental courses for dentists in the Aetna network. These courses help the dentists keep up with the latest dental care standards. The focus is on healthier outcomes for people just like you.

Discounts for a clean, healthy mouth

And our research with Columbia shows how oral care helps lower medical costs for our members with specific health conditions.¹

That's why we offer discounts on oral health care products. They're available through the secure member website at www.aetna.com.

Dental benefits and dental insurance plans are offered and/or underwritten by Aetna Health Inc., Aetna Dental Inc. and/or Aetna Life Insurance Company (Aetna). Each insurer has sole financial responsibility for its own products.

What to know about the discounts

Discounts are a great way to save money. But they're not insurance. Instead, with a discount, you get access to a vendor that has agreed to give Aetna Dental plan members discounted prices on products and services. You pay the full discounted price directly to the vendor.

Because discounts aren't insurance, you don't have to worry about claims or referrals. And there are no limits on how often you can use them.

*Participation is for new gym members only. If you belong to a gym now or belonged recently, call GlobalFit to see if a discount applies.

**The ChooseHealthy program is made available through American Specialty Health Administrators, Inc., a subsidiary of American Specialty Health Incorporated (ASH). ChooseHealthy is a federally registered trademark of ASH and used with permission herein.

***Certain brands impose a no-discount policy.
