How Much Aid Can You Expect?

<http://www.smartmoney.com/personal-finance/college-planning/how-much-aid-can-you-expect-9635/>

»

So Junior's about to head off to college. And while his head is full of frat parties and co-eds, yours is full of panic as to how you're going to foot the bill. If finances are tight, chances are you're going to have to rely on some combination of savings, financial aid and student loans. While all this may seem daunting, keep in mind that millions of students march off to college each year -- most with parents like you who need some assistance with the expense.

How Much Should You Save?

<http://www.smartmoney.com/personal-finance/college-planning/how-much-should-you-save-9648/>

»

Based on how much you've already saved, the rate you expect your savings to grow and how quickly you expect college costs to rise, we'll tell you how much you should be socking away on a monthly basis.

msmoney.com
