

Get on par with

**GOLF
4 KIDS**
BROUGHT TO YOU BY
AIR FORCE SERVICES

The joy of golf begins when you play the game. The Golf 4 Kids Program is an affordable and fun way to get junior golfers out on the links in small group, so they'll get a real feel for the rhythms of the game. They'll learn about the rules and etiquette of play, which clubs to use and how to take the game in stride. They'll transition from practice area to the links—and have fun the whole time.
