CHASE

GIVING MILITARY FAMILIES THE SUPPORT THEY DESERVE WITH BLUE STAR DEPLOYMENT BENEFITS

Chase is committed to serving our Military Service Members and their families. And with our military credit cards, we're proud to offer Blue Star Deployment Benefits to assist military families. It's a complimentary benefit for being a Military Credit Cardmember – and it's only available from Chase.

Why call them Blue Star Deployment Benefits?

The program name comes from the long-standing tradition of hanging a blue star in the window to honor a loved one currently on active duty in a branch of the U.S. Armed Forces. Chase is proud to offer our Blue Star Deployment Benefits as a way of showing our appreciation for all that you do for our country.

100% Refund of Interest & Fees*

With a Chase Military Credit Card and Blue Star Deployment Benefits, you'll receive a 100% refund of any interest & fees incurred during military deployment. There's no minimum or maximum amount of deployment time or deployment campaigns necessary to claim your 100% refund. Be sure to keep your Chase military credit card account in good standing by continuing to make payments to your account as normal during your deployment.

Peace of Mind

Authorized family members can continue to use the card for purchases while you're deployed. That is one less thing you have to worry about while you are away.
