FOOTBALL FRENZY RULES

1. No purchase necessary.
2. All U.S. Air Force Club members, and adult family members, age 18 or over, who are in good standing are eligible to enter and win.
3. Services leadership, club and marketing staffs are ineligible. Reciprocal privileges will apply to Air Force Club members only, not to members of other US Armed Forces Clubs.
4. Club members are eligible for only one trip per season.
5. Winners cannot choose, nor substitute dates for NFL games. Trip packages cannot be exchanged for cash, services, or products; or sold or transferred to anyone outside of winner's immediate family. Other restrictions may also apply. Substitute prizes may be awarded in the case of non-availability of NFL game tickets.
6. Winners or their immediate family members automatically forfeit trip if unable to attend.
7. Taxable value on trip packages varies and is the responsibility of the winner. Appropriate tax forms will be mailed to winners from HQ AFSVA.
8. All entry forms must be turned in at your local Air Force club. By participating in the contest, you are automatically consenting to having your name published as a winner on the Agency website.
9. Odds of winning depend on number of eligible entries received from current club membership of over 153,092.
10. Check with your local club for complete rules/eligibility, entry dates, and drawing dates or visit www.afclubs.net
