

YOUR SATISFACTION IS OUR COMMITMENT

The *Link Up 2 Golf* program has been designated by the World Golf Foundation with the support of the major golf organizations in the United States.

The goal of the program is to connect you to the game in a way that ensures your enjoyment on the golf course for many years to come.

ELEMENTS OF THE PROGRAM

The *Link Up 2 Golf* program has been designed specifically for the new golfer, the former golfer, and for infrequent golfers who want a stronger connection to the game. It offers a supportive, relaxing atmosphere that emphasizes meeting people, enjoying the game and having fun.

There is no better way to connect to the game. After eight hours of lessons, you will be ready to join your new friends on the golf course!

The *Link Up* program includes:

- ♦Orientation and facility tour for new players
- ♦Minimum of 8 hours of instruction, including all aspects of the golf swing and short game
- ♦On-course instruction with professional
- ♦Overview of etiquette, rules, equipment and technology
- ♦Three supervised on-course playing experiences
- ♦Free use of rental clubs and range balls

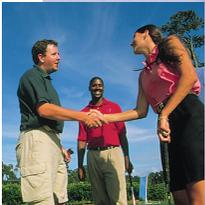

ENJOYING THE GAME AND HAVING FUN!

The *Link Up 2 Golf* program is designed not only to teach people how to play the game, but also how to enjoy it!

At the *Link Up* learning centers, the staff is committed to:

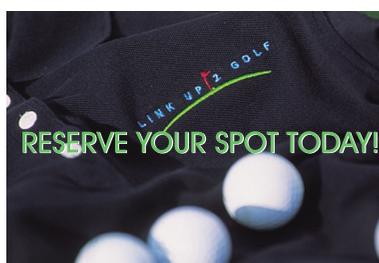

- ♦Creating a comfortable environment for the new golfer
- ♦Providing courteous service every step of the way
- ♦Offering a relaxed, supportive learning experience
- ♦Introducing new players to other new players, both on the course and socially
- ♦Creating a smooth transition from the range to the golf course
- ♦Providing special tee times and events for graduates of *Link Up 2 Golf*
