

# Graphic Standards

## United States Air Force Catering Logo: Two Color or CMYK Promatch

The Air Force Catering logo can be printed using 2 Pantone (PMS) colors or using CMYK colors in a four color process. At right you will find the color breakouts for each of these color formats. When producing the logo in full color, these are the only approved colors. Other variations of the Air Force Catering logo are not authorized.

*Exceptions to the Air Force Catering Logo Graphic Standards must be requested in writing through your MAJCOM to HQAFSVA/Clubs for approval.*

### PMS Match and CMYK Colors

**PMS C = 186 C (Red)**  
**CMYK = 6% Cyan**  
**91% Magenta**  
**78% Yellow**
